Background

The 2020/2022 Biennial Inspection Cycle began on July 1, 2020; this inspection cycle includes the implementation of the Enhanced Inspection Process (EIP), as proposed to the Board in February 2020.

At the September 2020 meeting, BSCC staff provided an updated EIP workflow plan to the Board and presented a plan to conduct targeted inspections at those local detention facilities where there were more than two items of noncompliance, and where items of noncompliance were significant. Ten counties were identified for a targeted inspection early in the 2020/2022 Biennial Inspection Cycle; all ten targeted inspections have been completed.
